21 October 2026

Dear Parents and Carers

We would like to share some information about the Toy Hub, a wonderful local organisation that supports families by providing high-quality, pre-loved toys and resources. Their aim is to ensure all children have access to enriching play opportunities, regardless of circumstance during the Christmas period. The Toy Hub offers a wide range of toys suitable for different ages and interests, all carefully selected and in excellent condition.

We are pleased to let you know that, in discretion, families can request toys from the Toy Hub. If you would like to be considered, simply reply by email to the office by **Monday 2 November**.

A member of staff will then contact you confidentially to discuss your child's interests and the types of toys that would best support their play and development.

Once selections have been made, toys will be delivered to school before Christmas. They can then be collected discreetly, ensuring privacy for all families involved.

If you have any questions or would like to make a request, get in touch by emailing the school office.

Kind regards

Mrs Clarke
Deputy Headteacher
